[Crystal heart drop earrings made with AB Swarovski crystal stones with gift box. Beautiful jewellery for very special people.](#)

Beautiful jewellery for quite unique persons. Sparkling drop earrings. Made with AB Swarovski crystal heart stones. ( Aura Borealis - the crystal reflects inside several colours). On Sterling silver fish hooks stamped 925. The earrings measure 2.5cm lengthy x 1cm broad. Gift box. Due with the very reflective Swarovski crystal this item is pretty difficult with picture. The photos never do justice with the beauty of these earrings.
