# **Best Gifts To Give To Say Sorry**

Its hard to find the ways the say sorry to someone after you have done something bad to them. One of the ways we use when saying sorry is giving them a gift and also saying sorry. Normally guys give flowers, [silver jewellery](#) or teddy bear (toys of course) to apologise to their loved ones. These ideas will not guarantee forgiveness but it surely has worked in the past.

Women love surprises and they love jewellery. If you surprise her by buying jewellery she is bound to forgive you if your fault wasnt a big one. You might have to work harder if you did make a big mistake.

Flowers tend to bring a smile of someones face. Flowers are normally given to indicate your love and appreciation towards the person. We take flowers we someone invites us for a meal. We take flowers when we visit someone at the hospital. When we go to a funeral we take flowers. What are the reasons for us doing this? This is to show our appreciation and love. For many years flowers have been a part of people saying sorry to their loved once. And lets not forget women love flowers.

Teddy bear toys are another way of saying sorry to someone. There are teddy bear toys with writing I am sorry or I love you or Please forgive me which you can find in many toy shops. This is another way of showing your appreciation and also apologising at the same time.

One thing you have to remember is, its not the [silver necklaces](#) or [silver rings](#) you buy them, its the thought that counts that you made a mistake and you are not willing to make that mistake again. Gifts are just used in a way to express your feeling if you are struggling to find the words to say sorry.
