Is Jewellery Really Needed All Of The Time?

jewellery is something very important indeed and a lot of people wear them every single day if they can. The real question to ask is do they really think it is needed or could you perhaps not need it as much you think and perhaps some of that [silver jewellery is left for special occasions rather than putting it on all of the time? with this in your mind do you actually need to be wearing all of the time?](#)

Special Occasions

Sometimes it is nice to save that [turquoise jewellery](#) for special occasions rather than wearing it down when you are in the house all of the time. If your friends and family are always seeing you in the same things then you do not have any surprises for them when it comes to going out for a meal or something like this. Try to save some of your best jewellery for these occasions otherwise it will look like all you have is the old tatty looking [amber jewellery](#).

Wearing Down

one of the major problems with wearing all of the same jewellery all of the time is that it will start to wear down over time and get spoilt so make sure you know this. of course this is not going to down well at all when you put that best dress of yours on because it is going to make things look pretty bored. If you like wearing jewellery all day then this is not a problem at all you just need to make sure that you actually save some for the times that really matter.

All in all, it doesnt matter what you do when it comes to something like this as long as you are happy, just make sure you save some jewellery for the posh nights out and you will be fine!
