Pearl Wedding Necklaces - The Thrifty Buyer's Guide

Getting married on a budget in the UK should not be a problem. But this should not limit their jewellery choices considerably. In particular, wedding necklaces. For the wise and diligent, there are many [pearl wedding necklaces](#) available to UK shoppers. It's crucial you understand what you're buying, and who you're buying them from. The most affordable pearl is not even a pearl, but an imitation. A cultured pearl, on the other hand, is the cheapest real pearl available. How much you pay for it depends on whether it's of the freshwater or seawater kind. It's good to consult your friends where they shop for pearls. Note that pearl wedding necklaces are a thing of beauty.
