Summer Jewellery Trends, Whats In?

So we have hit that time again when summer is upon us and we need to start to rethink our wardrobe for the summer months. Yes we will course pull out the old summer classics, skirts, summer dresses but dont forget to update your accessories? Summer is the time of the year when people head off on holiday and enjoy the sunny weather on the beach and enjoying the outdoors. With all of this activity, you need to make sure you have the best [silver jewellery](#) accessories to make you look your best.

I believe it is a womens trait to forget the important of what good quality accessories can do to an outfit. Buying accessories on whim and not think what you might wear them can really ruin any outfit no matter however expensive. However, good quality jewellery will add the prefect finishing touch to any outfit.

Lots of jewellery brands are offering lots of new designs based around bold colours, perfect for the summer season. A great example of bold jewellery is Jackie Brazil jewellery, this is quality hand made jewellery but also combine bold tropical colours to create the perfect summer piece.

Though gold and silver are beautiful, and diamonds are a girls best friends, nothing says summer love like a stunning [gemstone jewellery](#) cluster necklace. Gemstones really to capture summer as do semi precious jewellery, they have great colours and also are not to pricey.

However it is really important that once youve bought that perfect [silver pendants](#) that you do protect it. A must to remember is not to apply sun cream while you are still wearing your jewellery, your jewellery will be impossible to clear is get sun cream all over it. Do bare in mind if your jewellery isnt in the best of condition it can loose when your outside doing activities. So before you go running out the door have a quick look over your jewellery to make sure it is secure.
